Yoriko-senpai invited me to Sakura watching in her garden.
It's amazing how big this garden is, Yoriko-senpai.
Fu fu fu. It's not all good to have it this big, Sayuri.
What a splendid tree.
And sentimental for Senpai, seeing it in bloom every year while growing up
FWOOM
Here, we've arrived.
Waah!
Yoriko-senpai, I'm slightly moved...
munch
munch
Senpai, don't you appreciate the sight?
Already started eating

ゆりめく12

『That's dangerous...』

『Like an old lady』
Yorlko-senpai, you eat the leaf?
munch
The bean paste is sweet and the leaf is salty. They go together well.
With flower viewing, you gotta have Sakura rice cakes
In-deed.
You don't, Sayuri?
It's too salty for my taste.
Sayuri, so childish.
Here
I'll eat your leaf then.
Aaah
I'm very mature, so I could even eat a leaf by itself.
chew
Her lips curled up.

Yes, I've heard that.
It's often said a Sakura tree only grows large when a dead body is buried under it, right?

『Because it's scary』

But, maybe no one told you
and a corpse has been buried here.
Just kidding

It truly is big
Those stories are definitely false. Look how big this one has grown without a body under it

shiver
Senpai! I was just joking. Stop shivering, please
Tsubaki, please get a shovel
shiver
Very well, O-jou-sama

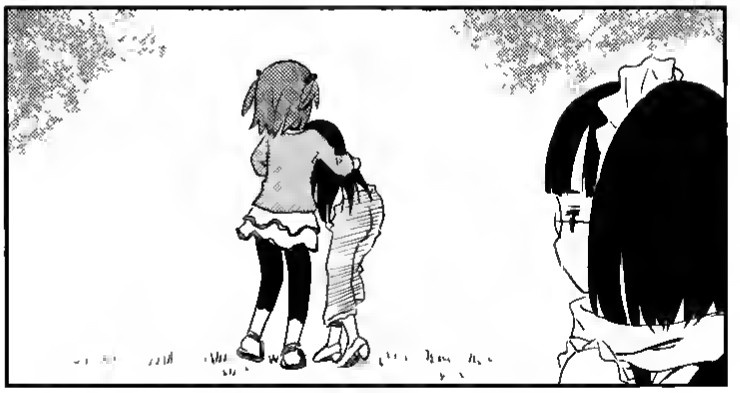
Goodness Sayuri. The alcohol is making you say weird things
Ehe-he.

Phew
sway
I feel hot sud-denly.
『Are you a drunkard?』
Yoriko-senpai sure gets lewd
when she's drunk.
Undress
...Excuse me for a second. Nature calls.
pant
Ah, yes
THAT'S NOT THE TOILET!

VWOOO
Kyaa, strong wind!
『Like Snow White』♪
Woow...
The Sakura blossoms are falling.
Oh my, how lovely
Fu fu fu. Look, Sayuri
Senpai... It's like a scene from a movie...
Getting a lump is like from a movie, too...
SLIP
S-- Sen-pai!!

『It finally came』
How transient the Sakura is...
In bloom only two weeks per year. It's just too short...
grab
Sayuri, we will always be together, right?
ba-thump
Se— Senpai. Maybe it's the alcohol,
ba-thump
she's more assertive than normal... My c— chest is...
ba-thump
Sa-yuri...
きゅん
きゅん
I— I...
きゅん
きゅん
glery
KYAAA?!

In an unexpected twist, I got a sample of the caregiving that awaits me in the future, as Senpai and I walked back together. From here on we'll continue to be together always.



Sayuri-chan, that's very cute giving it your all

Shipping is corny, but: "SaYori".
I am Tsubaki, Yoriko-ojousama's personal maid.
